Choose from the six different Soul-Raising Sessions described below.

Holy Spirit Soul-Raising Session

Wave patterns and initiatic cycles of light will be released through the agency of the Holy Spirit to perform an alchemy with your soul. The session includes a soul reading, aura clearance, chakra balancing, and question(s)* addressed. Receive a direct teaching from the Holy Spirit uniquely personal for you. Expect positive change, transformation and elevation!

Radical Forgiveness for Self and Others with Kuan Yin

The focus is on helping us to enter into radical forgiveness of ourselves and others and to commune with Kuan Yin's great Bodhisattva heart, providing the impetus of light we require to have our victory. Through Kuan Yin's presence, we may find the courage to ask God's forgiveness for anything we perceive we've done in error. Or if we are not feeling the compassion required to forgive another, this session may be the catalyst for entering into that state of liberating grace.

Healing Family Issues in This and Past Lives with Mother Mary

These sessions help us to heal family relationships. This healing will go to a very deep level, including past lifetimes, the karmic cause of conflict with loved ones. Many of our physical ailments involve working out family karma. Mother Mary comes to help us resolve our troubled relationships so we may move on, so we can be in a place of divine dispassion. She blesses us with her comfort flame assisting us to love more deeply, appreciate more consistently everyone in our family.

Resolving Personal Psychology with Kuthumi

The focus is on the psychology of wholeness within ourselves. It is a time in Kuthumi's presence to come to terms with those little peccadilloes in our human personality that grate upon our soul's ascent and can definitely grate upon others. And unless we resolve them, they can be stumbling blocks. One of the qualifications for the ascension is to resolve our psychology, moving beyond blame, shame, human drama, and past hurts that rob us of our progress and joy.

Accelerating Your Ascension with Serapis Bey

These sessions help us to accelerate our pathway to the ascension. Serapis teaches us how to be true to our Higher Self, to be directed in our approach toward oneness with God. We learn to recognize the dweller-on-the-threshold, baiting and switching us again and again. We are encouraged to know the victory over habit patterns that have defiled our souls and our spirit, that have besmirched who we truly are as sons and daughters of God. Serapis, as a master tactician of light, uses the aspects of the ascension current and the fourth ray to pervade through our being such intense energy that it can literally dissolve ancient karmic traits and hang-ups.

Soul-Raising Sessions with Archangel Michael

These sessions will instill in your soul courage and confidence to meet the challenges ahead victoriously. David Christopher Lewis will be overshadowed by beloved Archangel Michael to convey information and teaching that will assist you in achieving greater spiritual progress. Archangel Michael is our everlasting protector and he sends his angels to surround you at your call. His protection is required by all lightworkers as we do our part to raise the consciousness of the planet.

* You may ask one question during a 10-minute session. You may ask more than one question if the session is 20 or 30 minutes long. It's best to prepare your questions. Questions may not be asked about twin flames/soul mates, one's divine plan, or the percentage of karma balanced.

Note: Two sessions each is the maximum any heartfriend may experience with Kuan Yin, Serapis Bey, Mother Mary, Kuthumi and Archangel Michael. Holy Spirit sessions are unlimited, though no more than one per month.
